"BEEF GRADING ACT."

PURSUANT to the provisions of section 3 of the "Beef Grading Act," being chapter 4 of the Statutes of British Columbia, 1937, His Honour the Lieutenant-Governor in Council has been pleased to approve of the following regulations:—

1. In these regulations, unless the context otherwise requires:—

"Act" means the "Beef Grading Act":

"Area" means the cities of New Westminster, North Vancouver, and Vancouver, and the municipalities of Burnaby, West Vancouver, and the District of North Vancouver:

"Brand" means any mark, stencil, stamp, or label placed on beef for the purpose of designating grade:

"Frozen beef" means beef that has been subjected to refrigeration sufficient to congeal the body fluids, and "frozen" has a corresponding meaning:

"Inspector" means any Inspector appointed by these regulations:

"Minister" means the Minister of Agriculture:

"Official standard" means the grade of beef as prescribed by these regulations.

2. The following grades for beef are established:—

GRADE A.

This grade comprises only choice carcasses of steers or heifers having the following characteristics: Excellent conformation, finish, and quality, except that in the case of a carcass in the fed-calf class allowance may be made in regard to the degree of finish; relatively short and blocky; heavily and uniformly fleshed throughout; rounds, loins, and ribs very well developed; chucks and plates very thick and heavily fleshed; neck short and well filled; shanks short and well muscled; flesh firm, velvety, fine-grained, and of an attractive light or cherry red colour; marbling present in the loins and ribs; cartilages on the chine and breast-bones pearly white but may be slightly ossified; bones may be soft and red or slightly hardened and of grayish-white colour; exterior surface of the carcass, except in the case of fed-calves, covered with brittle fat, white or slightly high in colour but not approaching a yellowish tinge, smooth or slightly wavy; no wastiness in interior covering.

GRADE B.

This grade comprises only good carcasses of steers or heifers having the following characteristics: Good conformation, finish, and quality; rounds, loins, and ribs reasonably full; chucks and plates moderately thick; neck reasonably short and thick; flesh moderately firm; colour ranging from a light cherry red to a slightly darker red but not excessively dark; the "eye" of the rib and loin above the average in thickness; some marbling present in the thicker cuts; the fat covering extending well over the exterior surfaces but may be somewhat lacking on the neck and lower parts of the rounds, shoulders, and shanks; hips and shoulder points may be slightly visible; the fat covering reasonably firm, smooth, and white, but may be somewhat soft or have a slightly yellowish tinge; the kidney, crotch, cod or udder, interior fats moderate in quantity but may be somewhat wasty; the interior walls of the fore-quarters at least partially covered.

GRADE C.

This grade comprises only carcasses of steers, heifers, or cows.

With respect to steers or heifers the carcasses have the following characteristics: Carcass relatively long in proportion to its width and inclined to be slightly angular; hip and shoulder joints noticeable but not prominent; ribs, loins, and rounds moderately thick; the fat covering extended well over most of the exterior surface but may be rough, wavy, or inclined to be gobby at the hook-bones and the tail end; the interior of the carcass reasonably well covered with fat; cod, kidney, and crotch, and other interior fats in moderate supply or somewhat wasty; fat firm and brittle but it may have a yellowish tinge; flesh moderately firm but may be slightly soft; the eye of the rib and loin of average thickness; marbling present in the thicker cuts.

With respect to cows the carcass has the following characteristics: Good finish, conformation, and quality; rounds thick but not bulgy; loins may be somewhat flat; rib, chuck, plate, and brisket moderately thick; hip and shoulder joints slightly prominent but well covered; exterior fat extending well over the carcass; interior fats plentiful over the kidney and in the crotch; fats firm, creamy to yellowish in colour and crumble easily; flesh firm, fine-grained, well marbled and of good colour.

GRADE D.

This grade comprises only the carcasses of steers, heifers, or cows.

With respect to steers or heifers the carcasses have the following characteristics: Average finish, conformation, and quality; carcass may be somewhat angular; rounds reasonably thick

or tapering and not full towards the shank; loins and ribs moderately full but may be inclined to flatness; rib, chuck, and plate broad but possessing average depth of flesh; neck long and tapering; hip and shoulder joints prominent; the eye of the rib lacks thickness; a moderately thin layer of fat covers rib, loin, and chuck; all fats may be somewhat soft and have a yellowish tinge; flesh may be soft and slightly dark in colour; some marbling is present in the loin, rib, and chuck.

With respect to cows the carcass has the following characteristics: Average finish, conformation, and quality; carcass may have a pronounced curve in the back just forward of the rump; loin and rib may be flat; the rounds are long and tapering; the eye of the loin and rib is above average in thickness; the carcass is relatively angular but hip and shoulder joints are prominent; the flesh is firm, fine-grained, and of good colour, showing some marbling; the carcass is well covered with fat which may be somewhat unevenly distributed and inclined to be rough and gobby on rib, loin, and tail end; interior fats may be plentiful, especially over the kidney and in the crotch and may have a somewhat high colour.

3. The following brands for the respective grades of beef are established:—

For Grade A—the letter "A" in red.

For Grade B—the letter "B" in blue.

For Grade C—the letter "C" in yellow.

For Grade D—the letter "D" in brown.

4. Any Inspector may grade beef in accordance with the official standards.

5. No Inspector shall grade beef until the beef has been inspected and stamped as approved by the Health of Animals Branch of the Dominion Department of Agriculture, or by an official of any city or municipality designated by such city or municipality with the approval of the Minister for the purpose of inspecting or approving beef.

6. When beef has been graded by an Inspector, the owner of the beef shall, under the supervision and in accordance with the directions of an Inspector, mark the beef with the brand appropriate to the grade of the beef. No person shall mark beef with any brand except in accordance with this regulation.

7. The Inspector designated for that purpose by the Minister shall have custody of the branding equipment and shall not permit any other person to have unauthorized possession thereof.

8. No person shall, within the area, keep for sale or sell any beef which has been frozen, unless the beef before being frozen was branded in accordance with Regulation No. 6.

9. No person shall, within the area, keep for sale, display for sale, or sell any beef unless the beef is branded in accordance with Regulation No. 6.

10. No person shall, within the area, display for sale beef which has been frozen, unless he displays also a card stating that the beef is frozen beef.

11. No person shall advertise beef for sale, within the area, unless the advertisement prominently sets forth the grade of the beef advertised and, in the case of frozen beef, unless the advertisement also sets forth prominently the fact that it is frozen.

12. Where beef is displayed for sale, within the area, with a price card or ticket, the person displaying the beef shall cause the card or ticket to carry the grade of the beef in letters as large and as prominent as the letters or figures indicating the price, and in the case of frozen beef, shall cause the card or ticket to bear the word "Frozen" in letters equally large and prominent.

13. The following persons are appointed first Inspectors to carry out the provisions of the Act and of these regulations, namely: Matthew Vincent Campbell, Roy Trimble, and Walter Sandall, all of Vancouver.

14. Every Inspector shall, within the area, have, in addition to the powers conferred upon him by the Act, the following powers:—

(a.) To take, remove, keep, and confiscate such portions as he may think proper or the whole of any beef carcass which, in his opinion, is not graded or branded in accordance with the provisions of the Act or of these regulations:

(b.) To take, remove, keep, and confiscate any price card or ticket or display or advertising material which, in his opinion, violates the provisions of the Act or of these regulations.

15. Any Inspector may, in his discretion, by a certificate under his hand in a form prescribed by the Minister, exempt any beef carcass and the owner thereof, in respect of such beef carcass, from these regulations, and the exemption shall be subject to such conditions as are set forth in the certificate.

16. These regulations shall not apply to the keeping for sale or to the sale, within the area, of any beef carcass which is intended to be and is transported out of the area, but if such beef carcass is brought back into the area these regulations shall apply.

17. These regulations shall apply only within the area.

18. These regulations shall come into force on the eighteenth day of July, 1938.
